

Relics. Raw matter. Forgotten forms... Reimagined into soulful objects of story.

ARTIST IN RESIDENCE PROGRAM

Alchemyic Artisan offers curated six-week Artist-in-Residence installations designed to integrate dimensional storytelling into wine country environments, hospitality venues, and cultural spaces.

Limited to six residencies annually, each installation transforms a space into a layered visual experience — inviting conversation, reflection, and deeper guest engagement.

The Concept

This is not wall art placement.
It is experiential integration.

Residency Includes

- 6-week curated installation
- 3-6 dimensional works
- Sculptural and layered mixed-media pieces
- Complimentary Relic Narrative Cards
- QR-linked Extended Story Archive

Venue Benefits

- Enhances guest experience
- Creates Instagram moments for guests
- Supports wine club engagement
- Encourages repeat visitation
- Integrates art into gathering spaces
- Offers optional Meet-the-Artist activation

Optional Activation Add-Ons

- Meet-the-Artist evening
- Wine club preview night
- Philanthropic silent auction piece
- Private collector walkthrough
- Collaborative press campaign

Commission Structure

- 80% Artist / 20% Venue
- Adjusted structure available for expanded marketing support

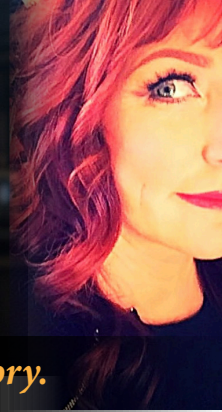

Installation Requirements

- Secure wall space or safe easel display area
- Controlled lighting preferred
- Installation assistance provided by artist

Alchemyic Artisan's dimensional works are created to live where people linger where wine is poured, conversations deepen, and story becomes part of the atmosphere. Limited to five installations per calendar year.
